CARAVAN CONFIDENCE CONVOY!!

Caravan Industry Association WA is proud to present an exciting two-day education and information program for people with caravans, motor homes or camper trailers. Developed in conjunction with **Murdoch University** and outback touring experts, **Global Gypsies**, these innovative weekend workshops combine theoretical tuition with valuable practical, hands-on experience.

Now in their seventh year, "**Caravan Confidence Convoys**" are designed to give you the confidence and knowledge you need to undertake that "Big Trip Around Australia", or learn to enjoy the nomad lifestyle confidently, safely and sensibly.

Itinerary

Spend one half-day at Murdoch University with a caravanning & camping expert discussing such topics as towing, hitching, reversing, parking, packing, leveling and more. Then, after some practice, depart for 1½ days of hands-on experience, driving in convoy through scenic rural areas within two hours of Perth. Convoys are led by WA's leading caravan trainers, **Global Gypsies**. We spend a night at a rural caravan park learning how to set-up and de-camp, then return to Perth on Sunday afternoon.
