SISTERS ARE DOING IT FOR THEMSELVES! JOIN THE GYPSY GIRLS 4WD WEEKEND!

February 6 - 8, 2009

Hey girls! Here's your chance to get away from the city and leave all your hassles and responsibilities behind on a fantastic, fully-catered 4WD weekend with a group of like-minded, nature-loving, independent women!

Our small, saucy, self-drive convoy will be led by former Tour Guide of the Year Jeremy Perks (the token male on the trip!). And there's no cooking for you – hooray! Our 'superwoman' Safari Hostess, Rebina Criddle, will provide her famous 'thousand-star' al-fresco catering – three delicious meals a day plus morning tea and sundowner snacks.

You'll need a 4WD to participate in this terrific, testosterone-free, tag-along-tour but no previous off-road experience is necessary.

We'll be camping in some beautiful spots, so bring (or hire) your tent or camper trailer and get back to nature in a safe and secure environment. And if you don't have your own camper trailer, check out the specials at Crikey Camper Hire!

We'll meet up at noon on Friday in Perth, then travel in convoy to the southwest forests communicating by two-way radio. We'll set up camp and enjoy a delicious dinner amongst the trees.

On Saturday morning we'll have a special "*Girlspeak 4WD Seminar*" where you'll learn all the basics of four-wheel-driving. Then over the next two days we'll practice our 4WD skills on bush tracks and on the sand at Preston Beach. There will also be plenty of time to relax, go bushwalking, chat, have a lot of fun and enjoy a glass of wine or two with some new friends.

This great girls-only weekend costs just \$425 per person (minimum 5 vehicles/10 clients). The price includes 4WD tuition, catering, camping & park entry fees, a Pre-Departure Workshop and Pre-Departure Kit and a guaranteed good time!

We say, "*Go Girl!!*"
