NEW FREE RESOURCE BASE FOR NOMADS SEEKING HOLIDAY JOBS!

Award-winning touring & training company **Global Gypsies** has added an exciting - and very practical - new feature to its website...a free guide for nomads seeking part-time, temporary or voluntary work during their travels.

Global Gypsies Director Jan Barrie says the company receives so many inquiries from clients wanting to find work during their extended holidays that they decided to set up a free resource base providing this information.

“We get thousands of hits on our website from people seeking details about our tours and training, so it seemed the ideal place to provide information about vacation job queries as well.

“Our site now features links to volunteer and/or paid work opportunities in Australia and overseas with particular emphasis on outdoor and environmentally related activities. It even has information about house-sitting and house-swapping services,” says Jan.

Global Gypsies is a WA-based company offering 4WD self-drive tag-along-tours into the outback, escorted small group overseas tours to exotic destinations such as Africa and China, and training in four-wheel-driving, towing and Tour Guiding.
