

GLOBAL GYPSIES PTY. LTD.

MEDIA RELEASE
January 6, 2010

FREE USE OF CAMPER TRAILER WHEN YOU BOOK A WEEKEND TOWING COURSE WITH GLOBAL GYPSIES!

Always wanted to learn how to tow but don't own your own caravan or camper trailer? Now you can 'try before you buy' and it won't cost you a cent!

Thanks to a joint promotion between award-winning touring and training experts **Global Gypsies** and WA's largest camper trailer rental company, HireAcampertrailer.com, anyone who books a two-day towing course with the Gypsies between January and June can borrow a quality camper trailer to participate in the training absolutely free! *

Global Gypsies have been training novice caravanners for over five years. Co-sponsored by Caravan Industry Association (WA) and Murdoch University, their unique **Caravan Confidence Convoys** combine one-half day of theoretical training with 1½ days of hands-on practical experience. Communicating by two-way radio, participants tow their own or a hired caravan or camper trailer and travel in a small convoy to a country caravan park within two hours of Perth where they enjoy an overnight stay.

Topics covered over the weekend include reversing, hitching and unhitching, road travel, parking, loading a trailer or caravan, road safety, legal requirements and more. The convoys are led by one of WA's most experienced 4WD and towing trainers, Jeremy Perks, Director of **Global Gypsies**, and a former "Tour Guide of the Year".

HireAcampertrailer.com is a tourism accredited business specialising under license in the hire and sales of the latest Pioneer hard floor camper trailers. Purpose built for remote area travel, the campers can be set up in under 60 seconds, are lightweight and have a built-in stainless steel cooking facility, 120L of pressured water storage, 240 & 12V power and over 1000 litres of dustproof storage space. The company has just opened a new showroom at 17/45 Ladner Street, O'Connor, and can be contacted on 1300 587 844.

The next **Caravan Confidence Convoy** will take place on January 30 – 31. The cost of the course is \$375 per vehicle/van and places are strictly limited.

** Use of camper trailer depends on availability of stock. Terms & conditions apply.*
