A HERD OF HIRE VEHICLES HITS THE OUTBACK!

A 'herd' of hire vehicles hit the outback last month when one of the largest convoys of Britz hire vehicles ever to be 'mustered' explored the Kimberley region.

Tour Guide Jeremy Perks of Global Gypsies led 24 Dutch clients in 11 hired 4WD vehicles over 5500 kms in 27 days. With the assistance of Safari Hostess Rebina Criddle, the Gypsies not only provided 4WD training and tour escorting services, but also prepared and served over 2000 meals in the bush, some accompanied by white linen & candles!

The expedition began and ended in Alice Springs and visited such remote areas as Rabbit Flat, Wolfe Creek, Broome, Cape Leveque, Gibb River Road, Mitchell Falls, El Questro, Kununurra, Gregory National Park and Top Springs.

The adventure was organised by Dutch tour company Fivesenses who intend to make outback treks led by Global Gypsies a permanent part of their tours calendar.

"It was a fabulous experience and very exciting. There is huge interest in the Netherlands to visit outback Australia, and the more remote and challenging the tour, the better our clients like it!" said JP Ponte, Director of Fivesenses.
