GET SET FOR LONG WEEKEND WITH SPECIAL CAMPER-TRAILER TOWING CLINIC!

Due to customer demand and just in time for the long weekend, leading 4WD and towing trainers, Global Gypsies, are organising a special half-day towing clinic for holiday-makers keen to learn more about handling their camper trailers in sand.

The hands-on towing clinic will take place on Saturday, April 17th and will last from 8:30 a.m. to 1:00 p.m. Emphasis will be on reversing, recovery and maneuvering. Advance bookings are essential and numbers are strictly limited.

The workshop will give participants the opportunity to practice and hone their skills under the expert supervision of one of WA's leading towing trainers, Jeremy Perks, a Director of Global Gypsies who is also a former Tour Guide of the Year and a nationally accredited Eco Guide.

Says Jeremy, "Global Gypsies have been running 4WD and towing courses for several years and sold thousands of copies of our towing training DVD. However, this year, and particularly since the recent Caravan & Camping Show, we've received an unprecedented number of inquiries from 4WD'ers wanting to improve their camper-trailer towing, reversing and recovery skills.

"Before escaping to your favourite destination for the Anzac Day weekend with the camper-trailer in tow, it's a good idea to get some professional tuition and hands-on practice. Our special Camper Trailer Workshop will give participants the skills they need to enjoy their off-road camping holiday safely and with confidence."

The one-off camper-trailer towing clinic will cost \$199 per vehicle including workshop notes. A two-way radio is mandatory and can be hired for \$15 for the day. Hire of camper trailers can be arranged for the workshop if required to 'try before you buy'.
